

We are so excited to welcome you to The Jammin' Jungle class. Our names are Ms. Crystal and Ms. Allie, and we cannot wait to teach your children in the upcoming school year. We are looking forward to a year full of fun, learning, growth, and many exciting adventures. In our class we will be learning through reading, art, creative play, movement and music. We will be here to support your children and help to prepare them for kindergarten.

We believe very strongly in parent-teacher relationships and encourage your feedback, as well as involvement. Please don't hesitate to let us know if you have any questions or concerns. We are looking forward to getting to know each of you and your children throughout the year!

All About Me

Teaching has always been a passion of mine. I love everything about it from the beginning of the year, to watching them grow & learn so much by the end of the year.

I live in New Caney in the same neighborhood I grew up in. My son, Alston graduated in 2022 and is a hard worker. My girls are both in high school. Jennifer is active in RBTC and plans to become a teacher herself. Melanie is active in sports & FFA, she plans to be a Veterinarian. On the weekends we like to do anything that involves water. My husband and I have been together almost 8 years and married for 3 years. He is a hardworking lineman and an amazing friend & provider. We also take care of my 81-year-old grandmother that keeps us on our toes.

This year will go by fast, but your kids will stay in my heart forever!

All About Me

Hi, I am Ms. Allie and I have lived in Kingwood my whole life. I had a baby boy, Stetson, born this past July. I am engaged to the love of my life.

I am looking forward to my second year in the Jammin' Jungle with Ms. Crystal. I attended PreK in this very classroom and Ms. Kim was my teacher.

When I am not visiting family, I love to go camping and watch the Astros!

I can not wait for this new school year, we have so much fun learning new objectives with your little ones.

ASD

The Jammin' Jungle class is a FUN new adventure! Our goal is to prepare our students for kindergarten. We will work with them academically as well as socially. Please read through the info below and help us help them become independent.

1. Morning Routine: *The following needs to be completed by the student, NOT parent.*

- Put their lunch box & water bottle in the appropriate area.
- Return Daily Folder to the folder location.
- Begin with activity at table.

2. Toys at School:

- NO toys from home are allowed at school.
- We do not allow lovies to be brought to class. This can be hard for some, but we promise they can do it!
- If your child has a toy, we will put it up until time to go home.
- NO electronics are to be brought to school.

3. Lunch:

- Lunch needs to be something they can eat themselves.
- We will encourage them to open lunch up themselves.
- We ask that all children eat the healthy main part of lunch before eating dessert.
- They will be given about 25 min to complete lunch.
- We do NOT have a microwave to warm food.

4. Folders:

- These will go home with your child each day.
- Please look through them with your child and see what they did.
- You will see a blank calendar inside; we will use this to let you know how their day went. If the space has a sticker or stamp, they had a GREAT day! If they do not receive a sticker/stamp, then we will write the reason they did not receive one.
- Please return your folder each day.

We are very excited for this year and look forward to making wonderful memories!
