

All About Me

Hi, I am Ms. Katy! I am originally from Orange, TX. I love being outdoors and spending time with my family, 3 two dogs. I absolutely love to fish, and I go often with my husband and my father.

My background is in early childhood education and musical theater. I graduated from Sam Houston State University, GO Bearkats! It was here where I gained my foundations as an educator. My approach in the classroom is to promote independence, confidence, and community. I look forward to the privilege of guiding and cheering on your child.
