

# Ms. Samantha

## All About Me

Hi! My name is Samantha, I am originally from North Carolina, and we moved here a little over a year ago. I live in Atascocita with my husband and three children. I have two little ones who attend CWM and my oldest is in Elem School.

My family and I enjoy adventures outside, cooking and reading books. I look forward to getting to know all your children, helping them grow and learn, this year!
